Additional Requirements

- Coats Dual Duty XP® Thread in colors to match fabrics
- 68" x 88" (172.72cm x 223.52cm) batting
- Sewing machine
- Template plastic
- Rotary cutter/mat/ruler
- Basic sewing and pressing supplies

Preparation

Print, cut, and tape together Templates 1 and 2. Trace templates onto template plastic and cut out. Use the plastic templates to trace and cut the fabric pieces listed below.

Cutting

WOF = Width of Fabric

Fabrics A-X, cut from each:

(2) Template 1

Fabrics Y, Z, AA, and AB, cut from each:

(6) Template 2

Fabrics AC and AD, cut from each:

(8) Template 2

Fabric AE, cut:

(8) 2½" x WOF (6.35cm x WOF), for binding

(4) Template 2

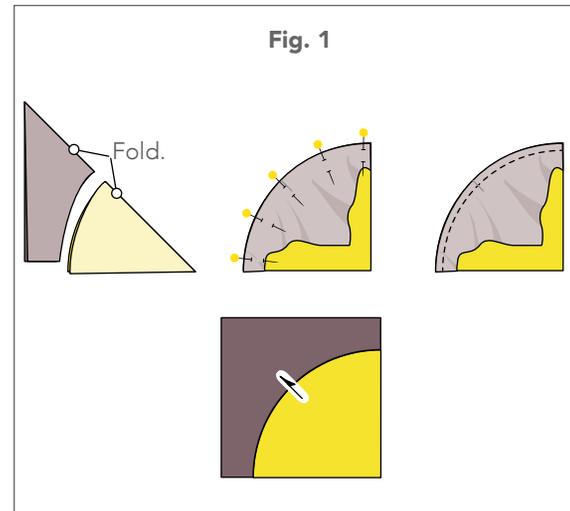

Fabric AF, cut:

(4) Template 2

Sewing Instructions

All seam allowances are ¼" (.64cm) and pieces are sewn right sides together.

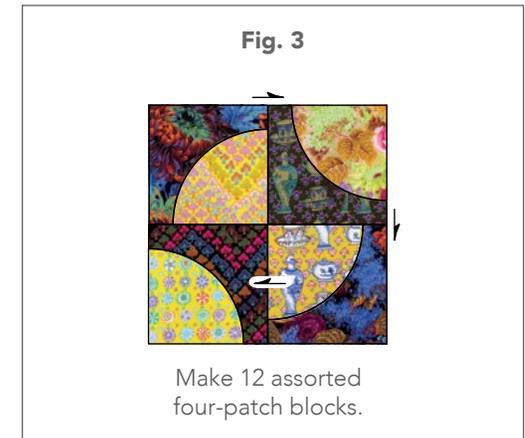

1. Select (1) **Fabric A** Template 1 and (1) **Fabric Y** Template 2. Fold the curved edge of both pieces in half and mark the center. With the inner curve of Template 2 on top, pin the curves together matching the edges, ends, and centers. Sew along the pinned edge and press the seam allowance toward Template 2 (**Fig. 1**).

2. Repeat Step 1 pairing the fabrics as desired to make a total of (48) units (**Fig. 2**).

3. Following **Figure 3** for orientation, sew together (4) units into four-patch blocks, each measuring 20 ½" (52.07cm) square.

Quilt Layout

Quilt Assembly

4. Following the **Quilt Layout** for orientation, lay out (4) rows of (3) four-patch blocks each.
5. Sew the blocks together in each row. Press the seams in alternating directions for adjacent rows.
6. Sew the rows together, pressing the seam allowances in one direction to complete the quilt top.

Finishing

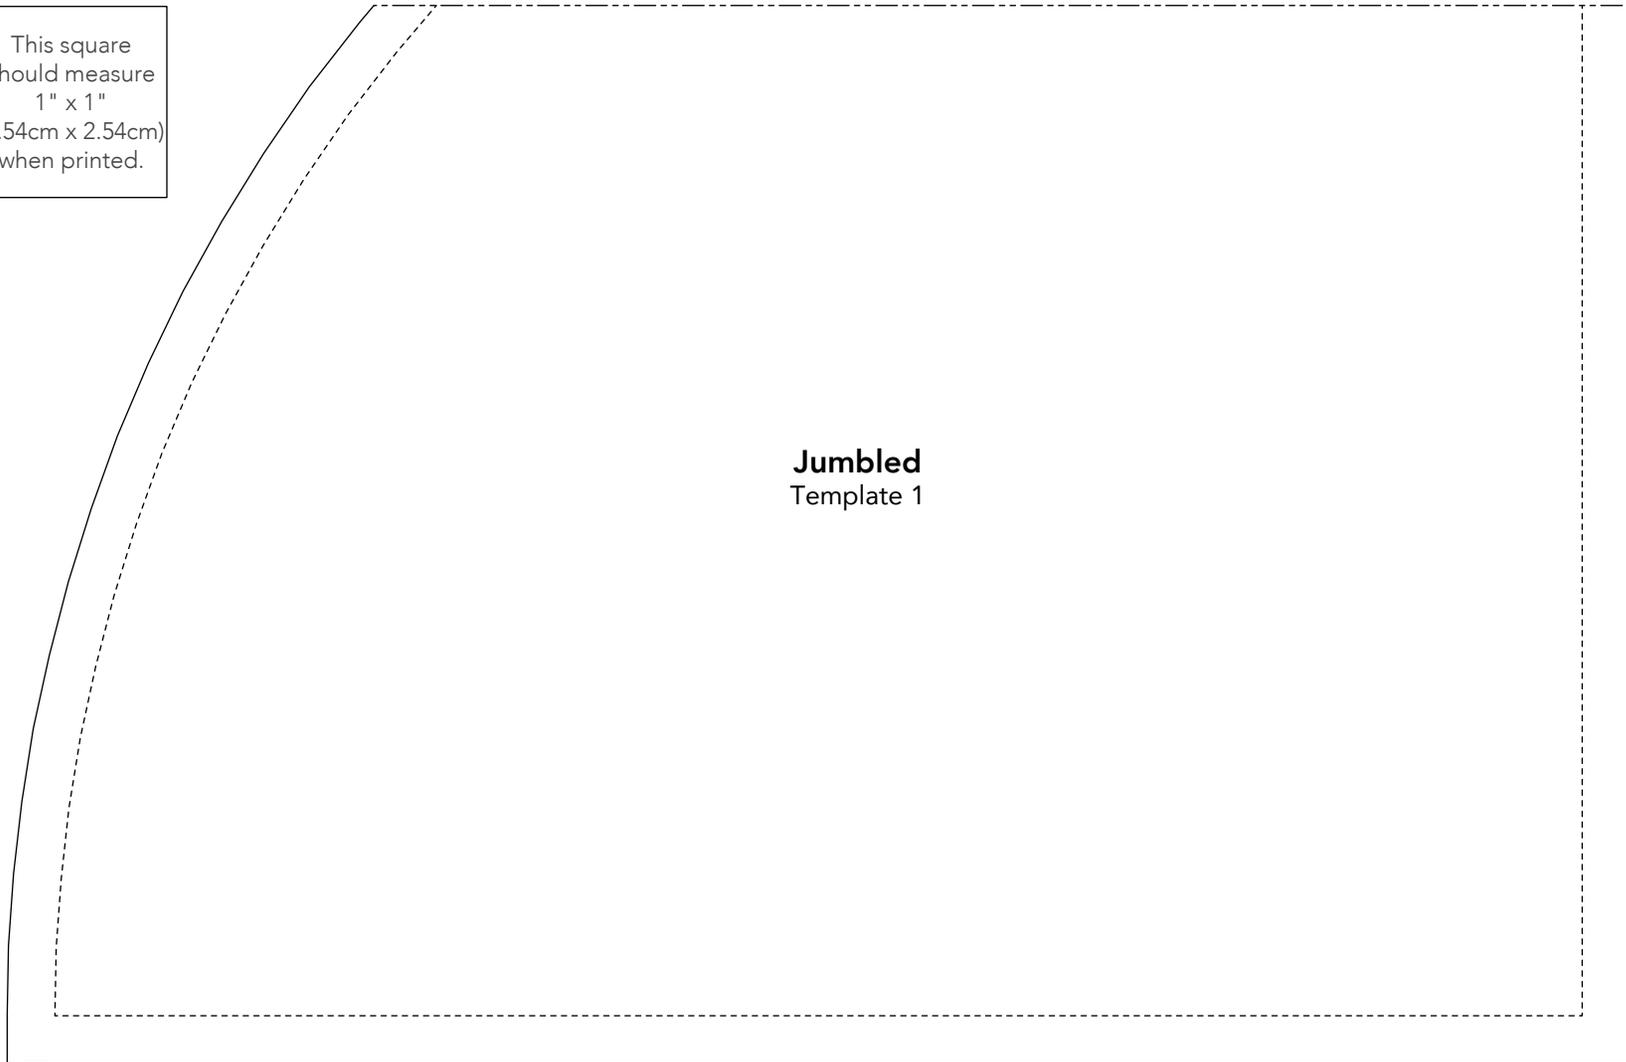

7. Sew together the (8) 2½" x WOF (6.35cm x WOF) **Fabric AE** binding strips end to end using diagonal seams. Press the seams open. Press the binding strip in half wrong sides together.
8. Layer the backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top after quilting is completed.
9. Leaving an 8" (20.32cm) tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" (30.48cm) from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together right sides together. Trim seam to ¼" (.64cm) and press open. Finish sewing binding to quilt.
10. Turn the binding to the back of quilt and hand-stitch in place.
